Education

2023–2027 **B.Sc. in Computer Science**, *The Hebrew University of Jerusalem*.

Experience

Nov 2021–Jan 2026 **Cyber Threat Analyst**, *BrandShield Ltd.*

- Monitored and analyzed digital ecosystems to detect phishing sites, brand impersonations, and malicious infrastructure.
- Conducted deep-dive investigations into online fraud patterns and executed legal and technical takedown procedures.

Aug 2019–Jun 2021 **Sergeant**, *Israel Defense Forces (Armored Corps)*.

- Received multiple outstanding soldier awards, including formal recognition from the Head of Southern Command (Aluf Pikud Darom) for exemplary performance.

Skills

Programming Python, C, C++, Java, C, Go, MATLAB, Unix, Web development
Tools & AI PyTorch, SpaCy, Git, LaTeX, Excel, Claude Code

Projects

2024 **Optimized MLP for Deepfake Detection**.

- Engineered and optimized a Multi-Layer Perceptron (MLP) architecture to identify and classify deepfake media.
- Implemented deep learning pipelines using **Python** and **PyTorch**, focusing on hyperparameter tuning to maximize detection accuracy.

2024 **Multi-Threaded MapReduce Framework**.

- Designed and implemented a robust MapReduce framework in **C++** to process large datasets concurrently.
- Engineered thread-safe job queues and synchronized worker threads using mutexes and condition variables to prevent race conditions.

Programs and Initiatives

Nov 2022–Jun 2023 **Project Lead & Social Entrepreneurship Fellow**, *Heseg Foundation*.

- Led a team of 3 for a full year to initiate and execute a commercial food waste reduction program.
- Onboarded and managed partnerships with local restaurants, diners, and bakeries to adopt the initiative.
- Managed project operations, strategy, and waste control implementation as a Heseg Foundation Fellow.

Oct 2023–Present **Volunteer Mentor**, *Ach Gadol (Big Brother) for Lone Soldiers*.

- Provide 1:1 personal guidance and crisis management to active-duty IDF Lone Soldiers.
- Help soldiers navigate complex military and civilian systems to secure housing, financial aid, and legal rights.

Oct 2023–Present **Volunteer**, *South African Zionist Federation*.

- Assist new Olim (immigrants) with cultural adaptation, networking, and integration into Israeli society.
- Guide newcomers through local administrative processes, housing logistics, and community support resources.

Honors & Awards

2020 General's Outstanding Award, Southern Command (IDF)

2020 Outstanding Award, 460th Brigade (IDF)

2020 Outstanding Award, 9th Battalion (IDF)

Certifications & Languages

2023 **Responsive Web Design Developer Certification**, *freeCodeCamp*.

Languages English (Native), Chinese (Native), Hebrew (Fluent), Japanese (Conversational)
